Itinerary

January 16 – Depart the USA

Your journey of a lifetime begins as you depart the USA on your international flight to Argentina.

January 17 – Arrive in Buenos Aires, Argentina

You will arrive in Buenos Aires where you will be met by a representative and transferred to board Celebrity Equinox.

January 18 – At Sea

January 19 – At Sea

January 20 – At Sea

January 21 – Ushuaia, Argentina

No city on the planet has a more southerly latitude. As a result, the sun shines for 18 hours each summer day, providing ample opportunity to view the mix of glaciers, forests, and sea, all framed by Mount Martial to the west and Mounts Olivia and Cinco Hermanos to the east. There's a magnificent wealth of history and culture to discover on a Ushuaia cruise. The town was formerly a missionary base, penal colony, and naval base but has increasingly become a major tourist destination with many attractions, including restaurants, sightseeing, and casinos. Explore Tierra del Fuego National Park on a day hike through the wilderness or along the coast and glacial lakes. The End of the World Museum offers a wonderful glimpse into the history and culture that shaped this city and includes collections of artifacts and pieces from the first expeditions, as well as the indigenous people who once inhabited the region. Savor authentic Argentinean specialties with the freshest seafood, like king crab, seabass, ceviche, grilled octopus, or the ever-popular, slow-cooked Fuegian lamb, and delicious regional wines.

January 22 – Cape Horn, Chile

Tierra del Fuego, Land of Fire, is the most isolated place in the Americas, and Cape Horn is its southernmost point. Named after the Dutch town of Hoorn in 1616, its craggy cliffs and windswept shores are stark, with a rugged beauty that creates a dramatic setting for the collision between the Atlantic and Pacific Oceans. And depending on the time of year, you'll either encounter "hold on to your hat" waves or gentle currents on a Cape Horn cruise. Visit Cabo de Hornos (Cape Horn) National Park and discover this lush UNESCO-protected ecosystem. Created in the 1940s, this 155,906-acre national park is home to diverse flora and fauna.

January 23 – Gerlache Strait, Paradise Bay, Schollart Channel, Antarctica

Gerlache Strait: A number of geographical anomalies around this channel make these waters among the most plankton-rich in the world. You're likely to see a profusion of whales feeding in the rich ecosystem, which is a sight you'll not soon forget.

Paradise Bay: This name aptly reflects the stunning beauty you'll find here, just as the clear waters beautifully reflect the spectacular mountains, such as Rojas Peak, Bryde Peak, and the Petzvol Glacier. Within these waters we may see minke whales feeding and gentoo penguins curiously observing us from the rocky shores.

Schollart Channel: Journey to the far reaches of the world with a Schollart Channel cruise. Experience the spectacular wildlife that inhabits the great white South Pole and breathe in the exhilarating air. With Anvers Island to the southwest and Brabant Island to the northeast, take in the mesmerizing sights of massive ice flows, humpback whales, waddling penguins, leopard seals, and more in their natural and somewhat extreme element. You are certain to leave with amazing memories and pictures as you cruise through Schollart Channel located near Antarctica.

January 24 – Elephant Island, Antarctica

This tiny island in the Weddell Sea of Antarctica plays a role in one of seafaring history’s most legendary exploits. Located in the Southern Ocean near the outer reaches of the South Shetland Islands, Elephant Island has claims from Argentina, Chile, and the United Kingdom. The island is covered with elephant seals, hence the name Elephant Island. At Cape Lookout, a bluff on the southern coast where various penguins (chinstrap, gentoo, and macaroni) call home.

January 25 – At Sea

January 26 – Port Stanley, Falkland Islands

Commune with the roughly 2,000 intrepid souls who call this remote former whaling outpost home. As you hike through the rocky, windswept landscape, you may observe a few of the island’s flightless residents—including Magellanic penguins burrowing underground and rockhoppers carefully observing you from outcroppings.

January 27 – At Sea

January 28 – Puerto Madryn, Argentina

This deep-water port was founded in 1865 by Welsh immigrants. Extending out into the Atlantic from Puerto Madryn is the Península Valdés, a wildlife sanctuary where vast numbers of sea elephants, whales, and penguins far outnumber the few human visitors who make it out this far.

January 29 – At Sea

January 30 – Montevideo, Uruguay

Montevideo is a thoroughly modern city with a rich artistic tradition; the reach of the rural *estancias* is all around you. If ever there were a time you were inclined to indulge, delicious steaks are the specialty of the house in virtually every restaurant.

January 31 – Return to the USA

Transfer to the airport to return home with memories to last a lifetime.

Shore excursions are not included and can be purchased directly from Celebrity

STATEMENTS OF RESPONSIBILITY

EOT does not accept responsibility for losses or additional expenses due to delay or changes in air schedules, hotel overbookings, other hotel related problems or causes, and/or travel supplier cancellations or postponements. Travel suppliers include all tour operators, cruise lines, airlines, hotels, bus companies, entertainment venues, and any other travel supplier used to operate the tour. All such losses or expenses will be the responsibility of the passenger. EOT reserves the right to make adjustments to the itinerary as deemed desirable by EOT, and EOT reserves the right to cancel any tour prior to departure. If a tour is canceled beyond the control of EOT, EOT will provide a refund or a future travel credit to be used two years from the date of issuance for the value of all funds paid by the passenger less nonrefundable travel supplier prepaid deposits, travel supplier change fees, nonrefundable travel protection premiums, and a \$150 administration fee.

FIT TO TRAVEL STATEMENT:

Passengers registering for the tour accept the responsibility for being in good health and able to walk and travel on the tour. Because many of the sites are not accessible to the physically challenged and space limitations on tour buses, wheelchairs and scooters cannot be accommodated. Those needing oxygen or other ambulatory assistance will find the tour extremely limiting in their experiences. Persons using C-pap machines requiring distilled water will need to inform us ahead of time, so we can work with local operators to prepare as it is not always available. EOT reserves the right to refuse or revoke travel to anyone who is, in the sole judgment of EOT, incapable of group travel without causing undue demands upon the staff or other tour participants. Accessible rooms/cabins are limited and subject to confirmation after receiving the passenger's written request. If you have questions, please see eo.travel/fit-to-travel-statement or contact Educational Opportunities Tours Inc. for more details.

PASSPORT INFORMATION & CHECK IN PROCESS:

Passport information must be submitted to our office no later than 08/18/25. Failure to provide your passport information to our office by this date may result in change fees or denial of travel. Discrepancies in information may result in change fees, delays in receiving travel documents for your trip, or denial of travel. Any fees incurred due to discrepancies are the responsibility of the passenger. You will also be required to check in with the cruise line prior to travel and according to the cruise line's requirements and instructions provided in your final documents.

PRICE INCREASES

All prices quoted in this brochure are subject to change prior to payment in full due to currency fluctuations, fuel surcharge increases, government taxes and fees increases or unforeseen circumstances. In addition, you may be subject to a price increase after payment in full has been received due to potential government imposed taxes and fees.

AIRLINE ROUTES AND TICKETS:

In order to keep prices low, EOT does not guarantee the most direct routing to your final destination. Once issued, airline tickets cannot be changed or refunded thereafter. Air transportation to/from your destination will be economy class on IATA and ARC carriers utilizing APEX or SUPER APEX non-refundable, non-amendable tickets for groups of 10 or more flying together on entire itinerary. If you choose to depart from a different city than your group or traveling companion, or deviate your flight and/or trip plans, and/or you are taking a pre or post tour, you may fly on a different scheduled flight(s) than the rest of your group. If you make your own air arrangements, you are responsible for booking all needed flights for your travel unless specified otherwise. Contact guest services for further details.

FLIGHT TIMES AND SEATING

All flights are subject to change by the airlines without advance notice. EOT is not responsible for such changes or delays and does not reimburse expenses resulting from such delays. If you are making your own flight arrangements to the departure city, we recommend you purchase a ticket that can be exchanged without large penalties. There is no advance seat selection for groups on most airlines. Early check-in is necessary to secure seats with travel companions and those with special needs. Due to security measures taken at airports, it is advisable to arrive at the airport three hours prior to departure time. Seating is solely under the control of the airlines.

ADDITIONAL AIRLINE FEES:

You will likely incur additional airline checked baggage fees that are not included in the price of the tour. These fees vary by airline and are at the airline's discretion on each segment of the flight itinerary. Additionally, you may incur optional fees (food, excess baggage, overweight baggage, items of personal nature, etc.) as well. For more information, visit eo.travel/travel-info/airline-fees.

ON OWN DEVIATIONS:

On Own Deviations from the standard tour program must be submitted in writing and are subject to additional airline fees, if applicable. Transfers for passengers who deviate are not included.

ITINERARY CHANGES:

Every effort has been made to ensure the accuracy of this brochure. While EOT will make every effort to ensure you will see all sites listed in this brochure, the availability of sites, the order of sites and/or days and number of days may be altered to accommodate changes in cruise line, airline, hotel schedules, and local conditions. No changes to the itinerary are effective unless approved in writing and signed by an authorized officer of the tour operator. Except as stated herein, no other person is authorized to cancel, modify or vary the tour arrangements or to make any representation of warranty concerning the tour. The cruise line has the ultimate control over your voyage and may, without notice, alter the length of the cruise and the order of and/or inclusion of ports. EOT is in no way responsible for these changes and does not make reimbursement for such changes.

PREGNANCY/INFANT REGULATIONS

As to pregnancy, a woman cannot have begun her 24th week of pregnancy at any time before or during the cruise. If you are pregnant, please provide a medical note upon arrival at the pier for check-in from your physician stating your expected due date and medical fitness to travel. If you are in the 24th week or have completed it you will not be allowed to board. Due to the limited medical facilities, infants must be at least one year old on the first day of the cruise.
